

Synopsis of Detailed Curriculum Vitae of Dr. Nazeer Khan

Address: Department of Research, Jinnah Sindh Medical University, Rafiqui H.J. Shaheed Road, Karachi,
Phone Numbers: 021-99205185/ext. 1087 (*Off*); 021-34030193 (*Res*) 03343471666 (*Mob*)
Fax Numbers: 021-99201372 (*Office*)
E-Mail: nazeerkhan54@gmail.com; nazeer.khan@jsmu.edu.pk

PRESENT PROFESSIONAL RESPONSIBILITIES:

Professor of Biostatistics
Advisor to VC for Research, International Relation and Liaison
Director Research
Editor: Annals of Jinnah Sindh Medical University
Secretary: Advanced Studies and Research Board (BASR)
Co-Chairman: Institutional Review Board of JSMU (IRB)
Associate Editor: Journal of Pakistan Dental Association
Vice President: Islamic Countries Society of Statistical Sciences (ISOSS)

ACADEMIC QUALIFICATIONS:

Ph.D. (Statistics) Temple University, Philadelphia, PA, USA (1988)
M.Sc. (Statistics) McGill University, Montreal, Canada (CGPA 4/4) (1984)
M.Sc. (Statistics) Karachi University, Karachi, Pakistan, (CGPA 4/4) (1975)
First position in Department of Statistics and third in the entire University
B.Sc. (Major Statistics) Karachi University, Karachi, Pakistan, (1973)
First position among all the colleges under Karachi University.

PROFESSIONAL EXPERIENCE:

Pakistan: Dow University of Health Sciences, Karachi (Almost 8 years); Jinnah Sindh Medical University (6 years),
Saudi Arabia: King Saud University, Riyadh, (15 years); King Abdulaziz City for Science and Technology (3 years),
USA: Temple University, Philadelphia (3 years); Rutgers University, New Jersey (2 years);
Pakistan: Pakistan Medical Research Council, Karachi (4 months); Applied Economics Research Center, Karachi University (10 months)

THESES:

- M. Sc.** "Null and Non-Null Distributions for the Independence of Subvectors in Multivariate Analysis"; McGill University, Montreal, Canada; Jan. 1984.
Ph. D. "Maximum Likelihood Classification Criterion for Mixed Binary and Continuous Variables", Temple University, Philadelphia, PA, USA; Jan. 1988.

BOOKS:

- **Khan N.** 'Lecture Notes on Basic Biostatistics for Dentistry' prepared for master students of Dentistry, published from King Saud University College of Dentistry. This book contains the basic Biostatistics material with many examples from Dentistry. It covers twenty-seven lectures, which is suitable for one-year first Biostatistics course.
- **Aldosari AM, Akpata ES, Wyne A, Khan N.** Correlative study of fluoride levels, dental caries and fluorosis in the central province of Saudi Arabia, Phase 1. Series NO. 107, 2011; General Directorate of Research Grants, King Abdulaziz City for Science and Technology, Kingdom of Saudi Arabia.
- **Aldosari AM, Akpata ES, Shalan T, Khan N.** Correlative study of fluoride levels, dental caries and fluorosis in Saudi Arabia, Phase 2. Series No. 112, 2011; General Directorate of Research Grants, King Abdulaziz City for Science and Technology, Saudi Arabia.

- **Khan N.** Time and sequence of eruption of permanent teeth in Pakistani children. Published by Lambert Academic Publishing Company, Germany. 2012

PhD SUPERVISION:

- Shazia Azeem; Biostatistical Study of Myocardial Infarction Risk Factors through Multivariate Techniques. University of Karachi 2013.
- Mehwish Hussain: Estimating Duration Model for Coronary Artery Disease (CAD). University of Karachi, 2016
- Syed Adnan Ali: Estimation of Dental Caries by Body Mass Index and Dietary Habits using Poisson Regression Model in Pakistani Children. University of Karachi, 2019
- Sundus Iftikhar: New Developments in Quantile Regression and Its Use in Construction of Growth Chart, University of Karachi 2020

PUBLICATIONS:

- One hundred and twenty-eight (128) research publications in scientific journals.
- Eight-three (83) articles in international journals,
- Forty-five (45) articles in Pakistani journals,
- Total impact factor 82.948
- Total citations 4904; H-index about 34; i10 index 64.
- Ninety-six (96) scientific presentations in international conferences.

RESEARCH FUNDINGS:

- Five research fundings from HEC (2 as PI and 3 as Co-PI),
- Two research fundings from DUHS (PI).
- Five research fundings from KACST, Saudi Arabia (2 as Co-PI and 3 as Consultant)
- One research funding from WHO (Co-PI)
- One research funding from JSMU (PI)

HONORS AND MEDALS:

- Convener of PHRC Expert Panel for three years starting from 2015
- Member of PHRC Technical Advisory Committee for the year 2017-2020
- Approved supervisor for MPhil/PhD candidates by Higher Education Commission Pakistan.
- Editor of 'Annals of Jinnah Sindh Medical University', Karachi, Pakistan
- Senior Editor-in-Chief of 'El-Mednifico Journal', Karachi
- Associate Editor of "Journal of Pakistan Dental Association", Karachi.
- Editorial Board Member (Statistical Advisor) of 'Ibnosina Journal of Medicine and Biomedical Sciences', Libya
- Editorial Board Member of 'Journal of Nutrition, Fasting and Health', Mashhad, Iran
- Editorial Board Member of "Pakistan Oral & Dental Journal", Islamabad,
- Co-Chairman of Institutional Review Board, JSMU.
- Member: Ethical Review Board of 'The Aga Khan University' Karachi
- Secretary: Advanced Studies & Research Board, JSMU.
- Fellowship from the School of Business Administration, Temple University, Philadelphia
- Fellowship from the Department of Statistics, Rutgers University
- Gold medalist for First position in the Department of Statistics and Third in the entire Karachi University in M.Sc.
- Gold medalist and Esso Merit Award Scholarship recipient for First position in B.Sc. among all the colleges under Karachi University.
- Selected for Marquis WHO'S WHO in the world in 1995.

CURRICULUM VITAE

PERSONAL:

Name : **DR. NAZEER KHAN**

Address : Department of Research
Jinnah Sindh Medical University
Rafiqui H.J. Shaheed Road
Karachi 75510, Pakistan

Phone Numbers : +92-21-99205185/1087 (Office)
+92-21-34030193 (Residence)
03343471666 (Mobile)

Fax Numbers : +92-21-99201372 (Office)

E-Mail : nazeer.khan@jsmu.edu.pk; nazeerkhan54@gmail.com

Date of Birth : May 6, 1954

Marital Status : Married

ACADEMIC QUALIFICATIONS:

Ph.D. (Statistics) : Temple University, Philadelphia, PA, USA
(1988) GPA - 3.61 out of 4.

MS (Statistics) : Rutgers University, New Brunswick, NJ, USA
(1983)

M.Sc. (Statistics) : McGill University, Montreal, Canada
(1984) GPA - 4.0 out of 4.0

M.Sc. (Statistics) : Karachi University, Karachi, Pakistan,
(1975) GPA - 4.0 out of 4.0, First position in the Department of
Statistics and third in the entire University.

B.Sc. (Major Statistics) : Karachi University, Karachi, Pakistan,
(1973) First position among all the colleges under Karachi
University.

Intermediate (Pre-Engineering): Second Division, UP Board, Allahabad, India
(1971)

High School : First Division, UP Board, Allahabad, India
(1969)

CERTIFICATE COURSES:

- Biomedical Responsible Conduct of Research (Passed on August 1, 2018): Collaborative Institutional Training Initiative (CITI PROGRAM), Florida, USA
- IRB Members - Basic/Refresher (Passed on July 28, 2018): Collaborative Institutional Training Initiative (CITI PROGRAM), Florida, USA

PROFESSIONAL EXPERIENCE:

*Advisor to Vice Chancellor;
for Research, International
Relation & Liaison
Professor of Biostatistics
July 2014 to present*

Jinnah Sindh Medical University;

Additional Responsibilities:

Director of Research

Editor: Annals of Jinnah Sindh Medical University

Secretary: Advanced Studies and Research Board

Co-Chairman: Institutional Review Board of JSMU

Director, Quality Enhancement Cell (July 2014 to Dec 2018)

Secretary: Scientific Committee for postgraduate

Secretary: JSMU Funding Committee

*Professor of Biostatistics:
July 2006 to June 2014*

Dow University of Health Sciences

Director of Research,

Director of PhD Program, Phase I (2006)

Editor of Journal of Dow University of Health Sciences

Program Director of Master of Science in Biostatistics and Epidemiology (MSBE)

Director of Foreign Scholarship for postgraduate studies

Vice Chairman: Institutional Review Board, DUHS

Secretary: Board of Advanced Studies and Research,

Secretary: Scientific Committee for Postgraduate Studies,

*Associate Professor:
March 2004 – July 2006*

Division of Community Dentistry,

Department of Preventive Dental Sciences,

College of Dentistry, King Saud University

Riyadh, Saudi Arabia.

*Assistant Professor
August 1998 – March 2004*

Nature of duty:

*Biostatistician
Sept. 1991 – Aug. 1998*

1. Teaching Biostatistics and Epidemiology courses to

MDS students of Dental Sciences

2. Statistical consulting and analysis of research data for faculty, interns and postgraduate students.

3. Statistical consulting for National research projects related to Dental and Medical Sciences.

*Scientific Researcher
April 1988 - Sept 1991*

:

King Abdulaziz City for Science and Technology,

Riyadh, Saudi Arabia.

Nature of duty: Worked on many research projects related to the Kingdom of Saudi Arabia.

- Teaching Associate : Department of Statistics, Temple University, PA, USA.
Jan 1985 - Dec 1987
- Nature of duty:* Taught two statistics courses in every semester and summer.
- Statistics Instructor : Dept. of General Studies, Thomas Jefferson Medical University, Philadelphia, PA, USA
Fall 1986
- Nature of duty:* Taught a biostatistics course to the medical students.
- Teaching Assistant : Department of Statistics, Rutgers University
Sept 1981 - May 1983
New Brunswick, NJ, USA
- Nature of duty:* Taught two statistics courses in every semester and summer.
- Statistical Officer : Pakistan Medical Research Council, Karachi
May 1978 - Aug 1978
Pakistan
- Nature of duty:* Duties included the analyzing of five years data of cancer patients from all the major hospitals of Pakistan.
- Research Assistant : Applied Economics Research Center, Karachi
July 1977 - May 1978
University, Karachi, Pakistan.
- Nature of duty:* Duties included the evaluation of a federal government project for the maximization of cotton yields in Sind province of Pakistan.

RESEARCH:

THESES:

- M.Sc.** "Null and Non-Null Distributions for the Independence of Subvectors in Multivariate Analysis"; McGill University, Montreal, Canada; Jan. 1984.
- Ph.D.** "Maximum Likelihood Classification Criterion for Mixed Binary and Continuous Variables", Temple University, Philadelphia, PA, USA; Jan. 1988.

BOOK:

- **Khan N.** 'Lecture Notes on Basic Biostatistics for Dentistry' prepared for master students of Dentistry, published from King Saud University College of Dentistry. This book contains the basic Biostatistics material with many examples from Dentistry. It covers twenty-seven lectures, which is suitable for one-year first Biostatistics course.

- **Aldosari AM, Akpata ES, Wyne A, Khan N.** Correlative study of fluoride levels, dental caries and fluorosis in the central province of Saudi Arabia, Phase 1. Series NO. 107, 2011; General Directorate of Research Grants, King Abdulaziz City for Science and Technology, Kingdom of Saudi Arabia.
- **Aldosari AM, Akpata ES, Shalan T, Khan N.** Correlative study of fluoride levels, dental caries and fluorosis in Saudi Arabia, Phase 2. Series No. 112, 2011; General Directorate of Research Grants, King Abdulaziz City for Science and Technology, Kingdom of Saudi Arabia.

PRINCIPAL INVESTIGATOR, CO-PRINCIPAL INVESTIGATOR OR CONSULTANT IN RESEARCH STUDIES:

- Five research fundings from HEC (2 as PI and 3 as Co-PI),
- Two research fundings from DUHS (PI).
- Five research fundings from KACST, Saudi Arabia (2 as Co-PI and 3 as consultant)
- One research funding from WHO (as Co-PI)
- One research project from JSMU (PI)

PRINCIPAL INVESTIGATOR:

- Time and Sequence of Eruption of Permanent Teeth in Pakistani Children. HEC project. Principal Investigator. (Funded by HEC: Rs. 918,000: Letter No. 1-28/HEC/HRD/2006/475, dated 6 February 2007) (Projected completed and submitted).
- The effects of Ramadan fasting in glucose levels and serum lipid profile among Type 2 Diabetic patients. Principal Investigator (Funded by: Dow University of Health Sciences; Rs. 100,000). (Project completed and submitted)
- Time and Sequence of Eruption of Permanent Teeth in Pakistani Children: Phase II. HEC project. Principal Investigator. (Funded by HEC: Rs. 1,297,378/-: Letter No. 20-1631/R&D/09 3041, dated December 29, 2010). (Project completed and submitted)
- The effects of Ramadan fasting in glucose levels and serum lipid profile among Type 1 Diabetic patients. Principal Investigator (Funded by: Dow University of Health Sciences; Rs. 100,000).

- Effect of Ramadan Fasting on Medical and Madarsa Students. Principal Investigator (Funded by Jinnah Sindh Medical University, 2015)

CO-PRINCIPAL INVESTIGATOR:

- Fluoride Levels, Dental Caries and Fluorosis in Saudi Arabia. 1999 – 2004, KACST PROJECT #: AT-17-59 & AT-20-47
Principal Investigator: Dr. Abdullah M. Al-Dosari
- The effect of Alum and Babul (*ACASSIA NILOTICA*) on salivary flow and gingival health. KACST AT-20-35. 2005. (Project completed and submitted)
- Protein C Global assay in the evaluation of women with adverse pregnancy outcome. HEC approved project. Co-PI (Funded by HEC: Rs. 2,760,000: Letter No. 20-1121/R&D/09/7625, dated May 5, 2009) (Project continue)
- Loss of medical graduates and the working pattern of practicing doctors in Pakistan. Co-Principal Investigator. Co-PI (Funded by HEC: Rs. 1.046,784; 20-888/R&D/09-5412. (Project Continue)
- Role of inherited bleeding disorders in menorrhagia. Co-PI (Funded by HEC: Rs. 3,309,898; Letter no. 20-1474/R&D/09/520, dated June 23, 2010). (Project continues).
- ‘Human Resources for Health (HRH), Profiling study for the Province of Sindh’ support provided by Global Health Workforce Alliance through World Health Organization (WHO)’. Co-Principal Investigator.

STATISTICAL CONSULTANT:

- Oral Health Survey of Saudi Arabia (ICS II of WHO): 1991 - 1994.
KACST PROJECT #: AR-11-86,
Principal investigator: Prof. Abdullah R. Al-Shammery
- Coronary Artery Disease and its Related Risk Factors among Saudis: A National Study. 1995- 2001, KACST PROJECT #: NMS-15-1
Principal Investigator: Prof. Mansour Al-Nozha.
- Autism and related developmental disorders in Saudi children,
KACST PROJECT # AT-20-61
Principal Investigator: Dr. Talat H. Al-Wazna.

COMPUTATIONAL SKILLS:

Familiar with **FORTRAN** and **BASIC** languages. Commonly use **BMDP**, **SAS**, **SPSS**, **STATGRAPH**, **STATISTICA**, **STATVIEW** and **Minitab** statistical packages.

HONORS AND MEDALS:

ACADEMIC:

Medical Journalism:

- **Editor of ‘Annals of Jinnah Sindh Medical University’, Karachi, Pakistan**
- **Associate Editor of “Journal of Pakistan Dental Association”, Karachi.**
- **Editorial Board Member of ‘Journal of Aziz Fatimah Medical & Dental College’ Faisalabad**
- **Editorial Board Member of ‘Journal of Nutrition, Fasting and Health’, Mashhad, Iran**
- **Editorial Board Member (Statistical Advisor) of ‘Ibnosina Journal of Medicine and Biomedical Sciences’, Libya**
- **Senior Editor-in-Chief of ‘El-Mednifico Journal’, Karachi**
- **Editor Board member of Kimsonion Medical Journal, Karachi Institute of Medical Sciences, Karachi**
- **Editorial Board Member of "Pakistan Oral & Dental Journal", Islamabad, Pakistan Karachi, Pakistan.**
- **Editorial Board member of ‘International Journal of Innovations in Medical Education and Research’, India (2016-2019).**
- **Editor of ‘Journal of the Dow University of Health Sciences’, Karachi. (2007-2014)**
- **Editorial Board member of ‘Journal of Emergency Medicine, Trauma & Acute Care (JEMTAC)’, Doha, Qatar.**
- **Editorial Board member of “Pakistan Journal of Medical Sciences”, Karachi, Pakistan**
- **Scientific Advisory Board Member of ‘Saudi Endodontic Journal’, Riyadh Saudi Arabia.**
- **Biostatistical Editor of ‘Saudi Medical Journal’, Riyadh, Saudi Arabia (2004-2006).**
- **Biostatistical Editor of ‘Neurosciences Journal’ Riyadh, Saudi Arabia. The official journal of Pan Arab Union of Neurological Sciences (2004-2006).**
- **Editorial Board Member of “The Saudi Dental Journal”, official publication of the Saudi Dental Society, Riyadh, Saudi Arabia (1995-2006).**
- **Editorial Board Member of “Journal of the Saudi Heart Association”, official journal of the Saudi Heart Association, Riyadh, Saudi Arabia.**
- **In the reviewer panel of “Community Dent Oral Epidemiology”.**
- **In the reviewer panel of “Annals of Saudi Medicine”, Riyadh, Saudi Arabia.**

Committee members:

- **Vice President: Islamic Countries Society of Statistical Sciences (ISOSS)**
- **Co-Chairman: Institutional Review Board of Jinnah Sindh Medical University, Karachi,**
- **Secretary: Board of Advanced Studies and Research, Jinnah Sindh Medical University**
- **Co-Chairman: Research Funding Committee, Jinnah Sindh Medical University**
- **Member of Grants Review Committee, The Aga Khan University, Karachi.**
- **PHRC: Member of Council’s Technical Advisory Committee 2nd time for the year 2018-2020**
- **PHRC: Convener of Council’s Expert Panel for three years starting from 2015**

- PHRC: Member of Council's Technical Advisory Committee for the year 2017.
- Vice Chairman of Institutional Review Board of Dow University of Health Sciences.
- Member: Ethical Review Board of 'The Aga Khan University', Karachi
- Member: Ethical Review Board of Fatima Jinnah Dental College, Karachi
- Member: Ethical Review Board of Journal of Pakistan Dental Association.
- Vice Chairman of Research Advisory Committee of Dow University of Health Sciences.
- Vice Chairman of Research Facilitating Committee of Dow University of Health Sciences.
- Secretary of Board of Advanced studies and Research (BASR) of Dow University of Health Sciences.
- Focal person of Foreign Scholarship for Higher studies at Dow University of Health Sciences.
- Approved supervisor for MPhil/PhD program from Higher Education Commission of Pakistan.
- Core group member of 'joint committee' of DUHS and NED Engineering University.
- Honorary Member of Saudi Dental Society.
- Fellowship from the School of Business Administration, Temple University from January 1984 to May 1984 and September 1985 to June 1986.
- Fellowship from the Department of Statistics, Rutgers University from September 1980 to June 1981.
- **Gold medalist for First position in the Department of Statistics and Third in the entire Karachi University in M.Sc.**
- **Gold medalist and Esso Merit Award Scholarship recipient for First position in B.Sc. among all the colleges under Karachi University.**

NON-ACADEMIC

- **Selected for Marquis WHO'S WHO in the world, 1995, 12th Edition p.725.**
- Member, Board of Directors, Pakistan International School, Riyadh, Saudi Arabia, 2001-2003.
- Selected for "DICTIONARY OF INTERNATIONAL BIOGRAPHY", 24th edition, International Biographical Center, Cambridge, England, 1995.
- President of Philadelphia chapter of Islamic Circle of North America from 1984-1987.
- President of Philadelphia Chapter of Pakistan Student Association, USA in 1984-1987.
- President of Temple University Association of Graduate Students of Statistics in 1984-1985.
- President of Temple University Association of Graduate Students of Statistics in 1984-1985.
- Member of Advisory Board of Al-Iqbal International School from 2005-2007, Riyadh, Saudi Arabia.
- **Selected second time for Marquis WHO'S WHO in the world, 2006, 23rd Edition.**

INTERNATIONAL CONFERENCES AND WORKSHOPS:

- Chairman of the 'International Research Conference' held on 23rd – 24th December 2019 at Sindh Medical College, organized by Jinnah Sindh Medical University, JSMU Alumni Association of Pakistan and JSMU Alumni Association of North America
- Arranged (Chairman) 3 days International Conference, titled '3rd Pakistan International Biennial Conference on Ramadan and Health' on 23rd to 25th August 2019 at Jinnah Sindh

Medical University, Karachi.
