

## CURRICULUM VITAE

NAME: Kamran Siddiqi

POSITION TITLE: Professor in global public health

### EDUCATION/TRAINING

INSTITUTION AND LOCATION	DEGREE (if applicable)	Completion Date MM/YYYY	FIELD OF STUDY
University of Punjab, Lahore, Pakistan	MBBS	July 1990	Medicine
Royal College of Physicians, UK	MRCP	June 1994	Medicine
University of Leeds, Leeds, UK	MPH	Oct 2000	Public Health
Faculty of Public Health, UK	FFPH	April 2003	Public Health
University of Leeds, Leeds, UK	PhD	March 2007	Public health

### A. Personal Statement

Kamran Siddiqi is a clinical academic with a background in chest medicine, public health and epidemiology. He works at the University of York as a professor in global public health and also holds an honorary consultant post in public health medicine at Public Health England. Previously, Kamran has worked as a consultant in chest medicine, education advisor to the National Institute of Health and Care Excellence (NICE), and medical officer at the World Health Organization. He has served at several national funding boards and NICE guideline development committees. Kamran has published extensively on TB diagnosis, tobacco control and smoking cessation.

### B. Positions and Honors

- Director – TB & Tobacco EU-H2020 Consortium 2015-2019
- Director – ASTRA: An National Institute of Health Research Global Health Group 2018-2021
- Chair - Tobacco section of the International Union against TB and Lung Diseases 2015-2017
- Deputy Editor-in-Chief – npj Primary Care Respiratory Medicine since 2017-2018
- Deputy editor – Nicotine and Tobacco Research since 2018
- Chair (joint) Respiratory Diseases Programme – Global Alliance for Chronic Diseases since 2017
- Associate editor – Nicotine and Tobacco Research since 2013-2017
- Member of the Public Health Advisory Committee (UK) at the National Institute of Health and Clinical Excellence (NICE) since 2014
- Member of the Public health Intervention Advisory Committee (UK) at the National Institute of Health and Care Excellence (NICE) between 2011 and 2014
- Member of the National Institute of Health Research (UK), Research for Patient Benefit Funding Committee from 2011 to 2015
- Member of the Medical Research Council Global Multi-morbidity Panel 2019-2020
- Member of the NIHR Global Health Research Training Steering Group 2019
- Member of the ASH (Action on Smoking or Health) Advisory Council since 2019
- Visiting faculty member Khyber Medical University, Peshawar Pakistan since 2018
- Chair of a NIHR Study Steering Committee from 2013 to 2016
  
- Other honors
- Gold Medal for top of year student: Rawalpindi Medical College, Pakistan (1988)
- Gold Medal for top of year student: Rawalpindi Medical College, Pakistan (1989)
- Dr AQ Khan Gold Medal for the Best Graduate of the Year: Pakistan Medical Association (1990)

- Best Poster presentation Award on ‘Smoke Free Homes’: Faculty of Public Health Conference, UK (2009)
- Outstanding Paper of the Year Award: Literati Network Awards for Excellence - Emerald Literati Network (2011)
- BUPA Healthy Lives Runners-up Award (2012)

#### **D. Research grants**

1. Siddiqi, Sheikh, Hewitt, Kanaan, Parrott, Huque, Jackson, Keller. 2019-2022. Children Learning About Second-hand Smoke: A cluster RCT in Bangladesh and Pakistan. £1,230,000
2. Siddiqi, Bauld, Croucher, Garg, Gill, Huque, Iqbal, Jackson, Javed, Kaur, Khan, Khan, Kanaan, Lilford, McNeill, Mehrotra, Pokheral, Sheikh. 2018-2021. Addressing Smokeless Tobacco and building Research capacity in south Asia. National Institute of Health Research. £1,999,999.
3. Gilbody, Siddiqi, Boehnke, Chaturvedi, Churchill, Hewitt, Holt, Huque, Jacobs, McDaid, Mdege, Minhas, Mirzoev, Murthy, Naheed, Nahar, Peckham, Sheldon, Siddiqi, Stubbs, Wright. Improving Outcomes in Mental and Physical Multimorbidity and Developing Research Capacity (IMPACT) in South Asia. 2018- 2021. National Institute of Health Research. £1,999,681
4. Bauld, Siddiqi, McNeil, Britton, Huque,: Building capacity to reduce tobacco-related harm in LMICs. RCUK-GCRF. £3,400,000
5. Siddiqi, Sheikh, Hewitt, Parrott, Fairhurst, Semple, Huque, Kellar. 2017-2020. Muslim Communities Learning About Second-hand Smoke in Bangladesh (MCLASS II): An effectiveness-implementation hybrid study. Medical Research Council. £761,089.
6. Siddiqi, Sheikh, McNeill, McCambridge, Parrott, Kanaan. 2017-2019. Smokeless tobacco control in the UK: A supply chain analysis to inform policy. Cancer Research UK. £99,874
7. Barber, Adab, Siddiqi, Wright, Summerball, Frew, Hewitt, Watson, McEachan, Sheard, Arshad, Small. 2017-2018. Using Islamic religious settings to prevent obesity in South Asian children. National Institute of Health Research. £100,000
8. Siddiqi, Gabe, Keding, Dogar, Parrott, Králíková, Kotz, Elsey, Newell, Sheikh, Huque, Baral, Fatima, Khan, Zahid, 2015-2019, ‘Tobacco cessation within TB programmes: A ‘real world’ solution for countries with dual burden of disease’, European Commission H2020-HCO-2015, €2,999,830.
9. Siddiqi, Huque, Dogar, Jackson, Parrott, Sheikh, 2015-2017, ‘Children Learning About Second hand Smoking (CLASS – II): A pilot cluster randomised controlled trial’, Medical Research Council (UK), £149,650.
10. Siddiqi, Yusuf, Louwagie, Morojele, Parrot, Kanaan, Medge, Bachmann, Oni, Engelbrecht, Omole, Tumbo. 2016-2019. Improving TB outcomes by modifying life-style behaviours through a brief motivational intervention (PROLIFE).Newton Fund MRC/SAMRC. £528,739.
11. Siddiqi, Dogar, Khan, Zahid, Kanaan, Ahluwalia, 2015-2017, ‘The efficacy of varenicline in achieving abstinence among hookah smokers: A two-arm, double blind, randomised, placebo controlled trial’, Pfizer, US \$199,980.
12. Siddiqi, Dogar, Kellar, Jackson, Thomson, 2014-2016, Adapting a behavioural support intervention for smokeless tobacco cessation in South Asians, Medical Research Council (UK), £150,000.

13. Siddiqi, Sheikh, Amos, Torgerson, Parott, Thomson, 2012-2014, ‘Muslim Communities Learning About Second-hand Smoke (MCLASS): a pilot cluster RCT’, Medical Research Council (UK), £461,412.
14. Siddiqi, Amos, Torgerson, Thomson, Cameron, 2013-2014, ‘Mothers Learning About Second-hand Smoke (MLASS): a feasibility study’, Cancer Research UK, £86,000.
15. Siddiqi, Amos, Thomson, Cameron, Torgerson, Parott, Kanaan. 2011-2016, Children Learning About Second-hand Smoke (CLASS): a cluster RCT’, National Institute for Health Research (NIHR), Public Health Research Programme, £1,148,488.
16. Siddiqi, Khan, Newell, Walley, 2009-2012, ‘Action to Stop Smoking In Suspected Tuberculosis (ASSIST) in Pakistan: a cluster RCT’ International Development Research Centre (IDRC), Canada, £240,000.
17. Rahman, Siddiqi, Parrott, Wang, Dherani, Chandra, Gupta, Murthy, Satyanarayan, Huque, 2015-2017, ‘A multicomponent intervention to reduce home-exposure to second-hand smoke (SHS) during pregnancy and postnatal period: a randomised controlled trial’, Medical Research Council (UK), £343,255.
18. Conner, West, Grogan, Siddiqi, Lawton, Armitage, Torgerson, 2012-2016, ‘Smoking prevention in young people: A cluster randomised controlled trial of implementation intentions’, Medical Research Council (UK), £1,100,000.
19. Walley\*, Newell, Siddiqi, Ullah, Khan, Baral, Meek, Wei, 2012-2016, Research and Development for Effective Health Service Delivery (COMDIS-HSD), Department for International Development (DFID), UK, £7,500,000.
